Hello James,

Thank you for taking the time to meet with me a few weeks back. Per our conversation, I have attached quotes for the following:

- 5975 GCMS
- 7890 GC
- Software upgrade to bring GC B.03 to B.04

If you do get funding for the actual GC, we will need to have a discussion as to what revision of software you would like. We have a C revision out now with some new advanced features. Please let me know if you have any further questions or concerns. Thanks so much!

Best,
Eamon
